Legion Post 194

Free dinner afterward
provided by the Legion.
Everyone welcome!

UCCB Plays to Help ALL Kids Play

On a beautiful fall day in late September, the Upper Chesapeake Community Band performed in the midst of several thousand visitors at the OPC Apple Festival in Oxford, Pa. This annual event is put on by the Oxford Presbyterian Church to benefit a local cause or non-profit organization. The proceeds from this year will help build an inclusive playground for the Oxford community, allowing children of all abilities to play together in a safe and accommodating environment. When all was said and done, the OPC Apple Festival committee was able to present a check for \$8,000 to help make this dream a reality! We are very proud to have helped make this event such a success!

WE'RE GOING GREENER!

'Tis the season for lots of paper! If you're like us, you're overwhelmed by the amount of paper coming into your home daily, so we are now offering our subscribers a digital copy of our newsletter via e-mail rather than a paper copy through the US Mail. As an extra benefit, you'll get to see everything in color now!

If you'd like to transition to the e-mail version, just go sign up here: <http://tinyurl.com/UCCBnews>

JOIN US!

The Upper Chesapeake Community Band is always looking for new musicians. We are an all-volunteer organization whose purpose is to provide concert music for the surrounding community at a variety of events. Our members range in age from 15 to senior citizen. They come from all walks of life and levels of musical ability. There is no audition required, but you must be able to play at least grade 3 music.

We rehearse on Thursday nights from 7:00 to 9:00 in the basement of the West Nottingham Presbyterian Church Childcare Center, located at 1195 Firetower Road, Colora, MD. If you play an instrument, or once played an instrument, and would be interested in joining us, we'd love to have you! Just contact our director using the info provided at the top of the page.
